& ESTIMATE COSTS**

Start by Logging in to MyBlue

Before you get started, log into your MyBlue account to be automatically connected to your provider network. This will allow you to use the cost estimate feature when you access the Find a Doctor and Estimate Costs tool. Don't have an account? No problem—create one at www.bluecrossma.com/findadoctor.

How to Search for Cost Estimates

In the search box located at the top of your screen, enter the name of the procedure, or the area of your body that needs care.

Select the service you are looking for from the drop down menu.

Once you make a selection, the search results will auto-populate based on the location of the device you're using.

You may change your location on the results page, if necessary.

Note: For a guided search, **click Find Medical Costs.**

PPO members can perform nationwide searches, while HMO members' can search in Massachusetts.

Using the Results Page

Your results page will show you nearby providers, their address, phone number, an estimated range of the costs charged by the providers in your results, patient reviews of physicians, if available, and if the provider has any Blue Distinction Center designations, such as, Blue Distinction Total Care, Blue Distinction Center, and Blue Distinction Center+.¹

To adjust your location, use the search box at the top of the page. You can also compare up to 10 providers at a time.

You can refine your results by specialty, quality, languages spoken, and more.

Click the **provider's name** for more information, including your deductible and out-of-pocket maximum amounts, the maximum estimated out-of-pocket cost you may be responsible to pay for the service, quality ratings, directions, and more.
